## About me

I'm finishing a Diploma of Information and Communication Technology at Western Sydney University and moving into the second year of the Bachelor's degree. Alongside study, I work part-time in fast-paced sales roles, where I've built strong communication, teamwork and problem-solving skills. I'm proactive, reliable and adaptable, and I'm looking to apply my technical skills and grow in an IT-focused role.

## Work experience

### Sales Experience Consultant, Universal Fitness Pemulwuy

**August 2025 to present**

- Talked with prospective and existing members to understand their fitness goals and recommend suitable membership options.
- Delivered high-quality customer service, so every member and visitor had a welcoming, positive experience.
- Assisted with membership sales, renewals, upgrades and general enquiries in a professional, confident manner.
- Built rapport and long-term relationships with members to improve retention and satisfaction.
- Followed up leads and enquiries to support sales targets and business growth.
- Explained membership benefits, promotions and gym facilities clearly and accurately.

### Sales Member, OzDesign Clearance Rouse Hill

**January 2025 to August 2025**

- Gave customers expert advice on furniture styles, materials and room styling to help them find the right pieces for their home.
- Processed sales and payments, and organised delivery and pickup schedules.
- Maintained in-store presentation and merchandising to reflect seasonal trends and promotions.
- Built strong customer relationships that encouraged repeat business and word-of-mouth referrals.
- Worked closely with team members to hit monthly sales targets and store KPIs.
